The Second Annual Great "Nutcracker" Roundup: 2019 Edition

Last year, we brought you the first ever [Great Nutcracker Roundup](#), a listing of 71 of our nation's professional *Nutcrackers*, organized by state. Now we're back, and this year we've included 99 productions in 40 states. So as you get ready to sit down to your turkey (or tofurkey) dinner this week, take a look at this list to find the nearest *Nut* to you.

Please remember, we're not perfect! If we missed a major Nutcracker production (no schools, please), we want to know. Email clansky@dancemedia.com for consideration.
